

Reeds -

Are no longer available in Med's office.

They are in the Band Secretary's office. Her name is Marsha Wyndham.

She is here Tuesday from 8am to noon and Thursdays and Fridays at 8am to 11am. **That is the only time reeds will be on sale.** Do not ask a staff member or Band Booster to sell you a reed. IOU's are rarely accepted because they rarely get paid.

You would be better off to buy your own supply. The reed of choice for Northview is **Vandoren Paris** brand. Call Paige's Music at 800 382 1099 and use a credit card. Mr. Koehler will deliver them to the school.
